

**Keith Percival - Chairman**

**LDC Conference 9th June 2023**

# **GDP**

**Represents ALL dentists in the  
UK**

- Experienced
- Skilled
- Knowledgeable
- Committed

And they commit their time

Time when they would otherwise  
be working.....and earning!

# The British Dental Guild

Exists to reimburse the lost earnings of any member of GDPC whilst working on behalf of the profession.

Currently

£200,000

per year

# The Guild Rate

£374 per session

£97 per hour teleconference

# How do we fund this?

- Income from investments
- **DONATIONS** from LDCs

Many LDCs contribute  
regularly and generously

The Guild is very grateful.  
Thank you.

But many LDCs do NOT donate

The burden of supporting GDPC  
representing ALL dentists

Not being carried by all.

**Is that fair?**

# The British Dental Guild

Suggests that every LDC donates annually

**£25 to £30**  
per dentist in the LDC

# When you return to your LDC's

for those LDCs who do not YET donate to the Guild,  
at the very next meeting:

- **Mention the Guild**
- **Explain what we do**
- **Explain how we fund it**
- **Consider making a donation**
